

STARTING IN OCTOBER 2014!!!

Dear Parents and Players

My name is Matt Beeuwsaert (a.k.a. Coach Beez) and I am an independent basketball instructor based out of Los Caballeros Racquet & Sports Club in Fountain Valley. I was a McDonald's H.S. All-American out of Mater Dei, earned C.I.F. Player of the Year honors as a junior, played college basketball at Notre Dame and CAL, and then played 10 years of professional basketball in Europe. Since my return to the states back in 2004, I have been working with boys and girls of all ages on the fundamentals of the game.

During this time, I have met many kids who were not able to make their respective high school teams. With budget cuts and lack of resources, it's becoming increasingly difficult for schools to include everyone that wants to play high school basketball. Thus, with 30-40 people fighting for 15 roster spots, many boys and girls are left without a place to play.

SECOND CHANCE HOOPS is a program designed to give high school athletes a “ second chance “ to play and improve their skills.

How does it work?

First, every high school player that enrolls in **SECOND CHANCE HOOPS** will receive some of the best coaching and training in the Orange County area. This is not a “ parent-run “ organization. Coach Beez and his staff have over 50 years of playing and coaching experience combined, and are ready to teach every player how to play the game the right way, as well as master the fundamentals.

Next, **SECOND CHANCE HOOPS** is about giving 100% and having the right attitude. This is not a free-for-all. Every player will be expected to train hard, show respect, and be on time for practices and games.

In addition, kids will be allowed to train two hours per week and play one game on Saturday afternoons. We encourage every player to attend their allotted three hours each week. However, we understand the importance of school, family, or if someone is sick. If a player cannot make it to a practice or to their game on Saturday, that is no problem. However, please note that you cannot make up any classes that you miss.

Lastly, all **S.C.H.** members will receive a FREE monthly membership to Los Caballeros Racquet & Sports Club. With its state-of-the-art fitness center, Olympic size swimming pool, numerous exercise classes, and dual-court gymnasium, every player will be able to enjoy a wide range of activities that will further build cardio, strength, and flexibility.

Basketball is a game to be enjoyed, and the more a player trains and improves their skills, the more fun the game becomes. Working hard and getting better at something builds confidence, and this built-up confidence tends to exude itself into other areas of life.

Become a part of **SECOND CHANCE HOOPS** today!
